WA STATE HIGHER EDUCATION RESIDENCY AFFIDAVIT

Students must be residents to qualify for Washington in-state tuition rates at public institutions and meet residency requirements for state financial aid programs at participating schools. The Residency Affidavit is one way to show you are a resident. The affidavit is a promise between you and the institution determining residency. To be able to certify this affidavit, you must meet the following eligibility requirements:

- Earn a high school diploma, GED, or diploma equivalent before your first term at the college determining residency.
- Maintain a primary residence in Washington for at least 12 consecutive months immediately before your first term at the college determining residency. The Washington residence must be for purposes other than college. (Note: If you take any courses at another Washington college during the prior 12 months, you cannot have taken more than six credits in any given term. If you exceed that limit you must prove that you have a Washington residence for non-college reasons), and,
- Promise that one of the following is true:
 - You will file an application to become a permanent resident of the United States as soon as you are eligible to apply. You are also willing to engage in activities designed to prepare you for citizenship, including citizenship or civics review courses.
 - You are a U.S. citizen, U.S. national, or U.S. permanent resident.

BASED ON THE ELIGIBILITY REQUIREMENTS LISTED ABOVE FOR THE WA STATE HIGHER EDUCATION RESIDENCY AFFIDAVIT, PLEASE CHOOSE ONE OF THE FOLLOWING:

- YES, I certify that, by the official start date of my first term at the college determining residency, I will have met the eligibility requirements above.
