Your application was selected for review in a process called "Verification." In this process, the Financial Aid Office will compare information you provide with your FAFSA. The law requires each institution to collect and verify this information before awarding Federal aid. If there is a difference between your FAFSA and information on any of your verification documents, the college may ask for further information from you and/or make the correction electronically.

Complete this verification form and submit it to your financial aid administrator as soon as possible. The Financial Aid Office cannot process your application without this information.
