The State Board adopts separate tuition schedules for upper and lower division courses. Tuition rates for upper division courses are higher than the rates for lower division courses. Generally, colleges should charge students upper division rates for upper division credits and lower division rates for lower division credits. For some upper/lower division credit combinations, however, this general rule would result in charging students more than if upper division tuition rates were applied to all credits. In such cases, students should be charged for all upper and lower credits based on the upper division tuition schedule. (See SBCTC Policy 5.90.00 C.)

The upper/lower division credit combinations that should be charged using upper division tuition rates will vary from year to year. A calculator has been developed to assist colleges in determining how much tuition to charge a student taking both upper and lower division courses. The 2016-17 BAS Tuition Calculator has been posted to the State Board website at:

<http://www.sbctc.edu/colleges-staff/collegeaccess/baccalaureate-tuition-calculator.aspx>

Community Colleges of Spokane Tuition Schedules for 2016-17

Tuition and Fees as defined by the Washington Legislature includes operating fees, building fees, and student services and activities fees. Colleges may add additional administrative and class fees.

Refunds of tuition and fees: 100% refunded if the student withdraws before the sixth day of instruction; 50% refund if the student withdraws on sixth day of instruction to the twentieth calendar day. Some fees are non-refundable; see the fee schedule for further information. Refund dates for classes which do not follow the regular college calendar are proportional to the length of a standard quarter.

CCS charges certain mandatory fees in addition to tuition. These include:

Registration Fee	\$20.00 per quarter
Student-voted Technology Fee	\$4.00 per credit up to \$40 per quarter
Student-voted Comprehensive Fee	\$40.00 per quarter
Student-voted SFCC Gym Renovation Fee (SFCC only)	\$8.65 per credit
Student-voted Bus Pass Fee	\$22.00 per quarter

Students who participate in the Western Undergraduate Exchange (WUE) program will be charged this rate.

Space-Available Waivers

Students 60 years of age or older may, on a space available basis, enroll in classes on an audit basis for up to two classes, at \$2.50 per class.

Community Colleges of Spokane Waiver Information for 2016-17

Athletic Waivers

Students who meet and maintain eligibility requirements through the Community Colleges of Spokane Athletics Department may receive an Athletic Waiver. The waiver is established by the State Board for Community and Technical Colleges, and waives \$320.98 of a student's tuition.

Running Start students are not charged tuition for the first 15 enrolled credits each quarter, but must pay certain mandatory and lab and course fees. A veteran tuition rate (80% of resident tuition rates) is available to eligible veterans or National Guard members meeting certain eligibility criteria.

Waivers offered for lower division (associate/certificate) credit programs generally apply to upper division (baccalaureate) programs.
