ATHLETIC FACILITY NOTE: Use of athletic facilities that require special preparation/setup or takedown, opening, closing, supervision, cleanup, waste disposal or restoration will result in additional fees. These fees will be based on current college labor rates, the work hours needed to provide the service, other costs incurred by the college as previously listed, and any overtime charges. Contact the Athletics office for special preparation requirements.

(a) An Athletic Department Supervisor will be required for all facility rentals, beginning one hour prior to the event and one hour after.

(b) Security will be required for all events utilizing athletic department facilities where crowd control is considered necessary.

(c) District Athletic Department policy requires one (1) lifeguard for every thirty (30) participants in the swimming pool.

ATHLETIC FACILITY DEFINITIONS: SCC Sports Center: Includes all gymnasiums, swimming pool, weight rooms, classrooms and locker rooms. SFCC Sports Center: Includes all gymnasiums, upper level practice areas, classrooms and locker rooms. Athletic Complex: Includes all athletic facilities contained within a particular campus setting (Sports Center, athletic fields, tennis courts, track, etc.)

TAXES: Events and rentals on CCS campuses may be subject to federal, state, county and/or city fees (Admissions Tax), taxes and permits. It shall be the express responsibility of the sponsoring organization (user) to obtain all permits in advance and to pay any subject fees and taxes in accordance with all applicable rules, ordinances and/or governing statutes. Proof of permits and/or requisite payments shall be furnished to the Community Colleges of Spokane upon request.

Additional Banquet Clean-up and Disposal Fees/Person, including an hourly labor charge may apply to renter supplied food and beverage service.

Food Service – All food service and use of the campus dining facilities shall be governed by CCS policies, administrative procedures and current campus food service vendor agreements:
Catered Events – The campus food service provider shall have access to college facilities, per the vendor agreement, to provide services for catered events. Users (other than college sponsored programs) using catering services shall be required to rent the college facilities at published rates.
Facility Rental – When campus facilities users contract directly with the campus food services provider for food services, the food services provider shall verify that the user has an approved facility use agreement. The user’s facility rental fee shall be assessed separately by the college and will not be included in the campus food service provider’s fees.
Kitchen Facilities, Set Up and Security – An additional kitchen fee shall be charged for food preparation facilities, storage and equipment. When using the college facilities for non-college catered events, the user or user’s caterer shall be responsible for set up, clean up; refuse disposal, recyclables, security, licenses, and advance arrangements for opening and closing the facilities.

<p>Rental fees include routine custodial services during normal working hours. Any custodial/security/ technical services required in addition to the routine service normally provided shall be paid by the user at current rates which may include overtime charges.</p> <p>If the user requests a room set-up that is other than the standard arrangement for the room, additional charges apply.</p> <p>Some facilities, such as laboratories, science labs, vocational shops, aviation program space etc., may not be available for non-college groups because of their specialized nature. If available, special arrangements may be necessary.</p> <p>Rates and conditions of use may vary from those explained in this table.</p> <p>Specialized shops and labs are not available without program supervision. Additional charges based on hourly salary rates will be added to rental fees for supervision.</p>
