

Sonography Program Application: DMS, Vascular, & Echo

1st Choice _____ 2nd Choice _____ 3rd Choice _____

Applicant Name: _____ **SCC Student ID#:** _____

Please complete this worksheet and submit all documents in *one packet* as application for the Sonography programs. Deadline to submit completed application to Shayla Clark (Registration building 15) by **June 28, 2024**.

1. Prerequisite coursework. There are 9 prerequisite courses which need to be completed with a minimum of 2.5 grade in each course. In addition, the math and science courses need to be completed within 5 years of application. This coursework can be completed at any accredited college or university.

Please complete the following table summarizing prerequisite coursework. It is the applicant's responsibility to order official transcripts from institutions outside of the CCS network. Please include an unofficial transcript for preliminary review of application.

Course	Grade Achieved	Quarter / Year Taken	Institution Attended	Transcript Included
BIO 160 – General Biology*				
BIO 241 - A&P I				
BIO 242 - A&P II				
HED 125 – Medical Terminology				
HED 109- Human Pathophysiology				
English 101				
Communications 210**				
Math 146***				
Physics 100				

*This course is waived, if applicant completes the A&P series at a college where a general biology course is not required.

**Counselor approved communications courses might serve as substitute.

*** Math 108 taken prior to Winter2024 will be accepted. Starting Fall 2023 Math 146 is the prerequisite. Counselor approved Math 100+ courses might serve as substitute.

2. Additional education experience. While additional education is not required to qualify for an interview, we recognize time and effort to complete degrees or educational programs. Please complete the following table summarizing completed degree or additional courses that are math, science, or health related. It is the applicant's responsibility to order official transcripts from institutions outside of the CCS network. Please include an unofficial transcript for preliminary review of application.

Degree or Course	GPA or Grade	Date Completed	Institution Attended	Transcript Included

Sonography Program Application

3. Volunteer requirement.

The applicant is required to complete a total of 40 hours of volunteer work as a prerequisite. Thirty hours completed in a patient care related activity and ten hours completed within a sonography department. The objectives of this requirements are to ensure the applicant finds themselves well suited to working in the field with sick patients and to ensure they have a good understanding of what the day in the life of a sonographer looks like.

While the program is open to a wide variety of sites to complete this volunteer experience, it is the applicant's responsibility to secure placement and complete the required hours. Documentation of volunteer hours can be documented with a letter from the sponsoring site describing the dates, hours, and duties performed by the applicant. For those who work in healthcare, documentation of hours worked in form of pay statement can satisfy the 30-hour patient care requirement. This requirement can present challenges due to institutional policies regarding patient confidentiality, so make sure to plan accordingly.

Name of Volunteer Site	Patient care or Sonography	Hours Completed

4. Professional Letters of recommendation (Letters should not be older than 3 months from application deadline.)

Recommendation letters provide observations of the applicant that only those that know you can provide. Since we are looking for professional qualities, we require the applicant to request letters from employers or instructors / professors. Please request the recommendation letter be provided to you in a sealed envelope with signature over the seal line, so that you can include it with your application.

In the table below, include the name of your reference and how you are associated.

Name of Reference	How associated with applicant
1.	
2.	
3.	

Selection process scoring is based on your GPA (50%), and interview (50%). Other requirements must be met to have a complete application, but are not scored. Additional points towards GPA are granted for medical certifications (1pt) to include but not limited to: CNA, MA, LPN, EKG tech, EMT. Other college degrees are awarded additional points as follows: AA (1pt), BA/BS (2pt), Masters (3pt), Doctorate (4pt). These points are not cumulative, please include your highest point value certificate or degree. Include documentation with your application.
