1.0 Purpose

Community Colleges of Spokane (CCS) is committed to providing equal opportunity and fair treatment in employment. CCS does not discriminate on the basis of a person's protected status, including when acting or speaking on behalf of CCS. Consistent with state and federal law, Discrimination, Harassment, Sexual Misconduct and retaliation are in violation of and prohibited by CCS Board Policy 2.30.01—Equal Employment and Non-Discrimination. This procedure establishes the reasonable measures CCS will use to implement that policy in regard to employment matters. Any individual found to be in violation of this procedure will be subject to disciplinary action up to and including dismissal from CCS or from their employment.

2.0 Limitations and Requirements

- 2.1** This procedure addresses employment and the workplace. The process for handling sexual harassment Complaint allegations in violation of Title IX against employees, contractors and guests is outlined in CCS administrative procedure 2.30.01 D.
- 2.2** All persons who are members of the Campus Community are required to comply with CCS Board Policy 2.30.01. Conduct covered includes that occurring while on campus and while on property and facilities leased or used by CCS. Covered conduct is not, however, limited to the physical workplace. It can occur while performing CCS business off-campus, during travel, at events sponsored by CCS, or via phone, email, text or social media. Such behavior can also occur off campus and outside of scheduled work time if, in the judgment of the college, such conduct adversely affects the college community or the pursuit of its objectives.
- 2.3** This procedure is subject to constitutional protections related to freedom of speech, association and the press.
- 2.4** The Chief Administration Officer ("CAO"), Chief Compliance Officer/Title IX Coordinator/ADA Compliance Officer ("Title IX Coordinator") and their designees are the only individuals authorized to address Complaints under this procedure.

The feeling of fear must be one that a reasonable person in the same situation would experience under all the circumstances; and the stalker either intends to frighten, intimidate, or harass the person; or knows or reasonably should know that the person is afraid, intimidated, or harassed even if the stalker did not intend to place the person in fear or intimidate or harass the person.

4.0 Prohibited Conduct

4.1 Prohibited discriminatory conduct includes any physical, verbal or other conduct that 1) denigrates or shows hostility toward an individual because of their protected status (as defined in section 3.13); and 2) is discriminatory in impact (as defined in section 3.6). Examples of behaviors that may constitute discriminatory conduct include, but are not limited to:

- 4.1.1 Racial epithets, “jokes”, offensive or derogatory comments or other verbal or physical conduct based on an individual’s race/color.
- 4.1.2 Ethnic slurs, workplace graffiti or other offensive conduct directed towards an individual’s birthplace, ethnicity, culture or foreign accent.
- 4.1.3 Verbal or physical abuse, “jokes” or offensive comments based on an individual’s age, gender, disability or sexual orientation.
- 4.1.4 Marking, posting, emailing or circulating demeaning or offensive pictures, cartoons or other materials in the workplace that relate to race, ethnic origin, gender or one of the other protected categories listed above.

4.2 Prohibited Sexual Harassment includes conduct as defined in sections 3.17 and 3.18. Consistent with applicable state and federal law, CCS prohibits two types of Sexual Harassment “quid pro quo” and “hostile environment.” Please see CCS administrative procedure 2.30.01-D for Sexual Harassment that meets jurisdictional requirements outlined by updated Title IX legislation.

- 4.2.1 Quid Pro Quo—a person with authority over a student or employee explicitly or implicitly conditions a term or condition of the student or employee’s education or employment on the Complainant’s submission to conduct defined in sections 3.17 and 3.18. This includes instances where submission to or rejection of such sexual conduct is used as the basis for educational or employment decisions affecting the Complainant. In determining whether such Harassment exists, it is immaterial whether the Complainant resists and suffers the threatened harm or submits and thus avoids the threatened harm.
- 4.2.2 Hostile environment—another’s unwelcomed conduct of sexual nature is sufficiently severe, persistent or pervasive that: 1) it substantially interferes with the terms and conditions of employment or substantially limits a student’s ability to participate in or benefit from the District’s education programs/activities; or 2) the conduct has the purpose or effect of unreasonably interfering with another individual’s work performance or creating an intimidating, hostile or offensive working environment. This second alternative only applies in the context of employment. Petty slights, annoyances, offensive utterances and isolated incidents typically do not qualify as Harassment. Examples of behaviors that may rise to the level of hostile environment and, therefore, are prohibited include, but are not limited to:
 - 4.2.2.1 Persistent comments or questions of a sexual nature.
 - 4.2.2.2 Sexually explicit statements, questions, jokes or anecdotes.

- 4.2.2.3 Unwelcome touching, patting, hugging, kissing or brushing against an individual's body.
- 4.2.2.4 Remarks of a sexual nature about an individual's clothing, body or speculations about previous sexual experiences.
- 4.2.2.5 Persistent, unwanted attempts to change a professional relationship to an amorous relationship.
- 4.2.2.6 Direct or indirect propositions for sexual activity.
- 4.2.2.7 Unwelcome letters, emails, telephone calls, texts or other communications referring to or depicting sexual activities.

4.3 Prohibited Sexual Misconduct includes Domestic Violence, Dating Violence, Nonconsensual Sexual Intercourse or Contact, Stalking and other forms of Sexual Misconduct.

- 4.3.1 Dating Violence, as defined in section 3.5, is further evaluated by specific factors of the relationship including, but not limited to, the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.
- 4.3.2 Nonconsensual Sexual Intercourse, as defined in section 3.12, makes the gender of the two parties irrelevant. Consent, as defined in section 3.4, cannot be inferred under circumstances in which it is not clear, including but not limited to the absence of "no" or "stop", or the existence of a prior or current relationship or sexual activity.
- 4.3.3 Stalking, as defined by section 3.18.7, requires that the feeling of fear must be one that a reasonable person in the same situation would experience under all the same circumstances, and the stalker either: 1) intends to frighten, intimidate or harass the person; or 2) knows or reasonably should know that the person is afraid, intimidated or harassed even if the stalker did not intend to place the person in fear or intimidate or harass.

4.4 Prohibited retaliation means any actual or threatened retaliation or any act of intimidation against any participant (Complainant, Respondent, witness, CAO, Title IX Coordinator or investigator) intended to prevent or otherwise obstruct the reporting, subsequent investigation or enforcement of a Complaint under this procedure. Retaliatory conduct of any kind taken against any individuals as a result of seeking redress under applicable procedures or serving as a witness in a subsequent investigation or any resulting disciplinary proceedings is prohibited and subject to discipline. Any person who thinks they have been subjected to retaliation should immediately contact the CAO or Title IX Coordinator as appropriate. The contact information for the CAO and Title IX Coordinator is available in section 7.4. If any person believes they have been subjected to retaliation by the CAO or Title IX Coordinator, then the person should contact the Chancellor's or college President's office for referral to a designee (see section 7.4).

5.0 Complaint Procedures

- 5.1 Complaints against Employees, Contractors, Guests, Volunteers or Visitors.** CCS will follow this administrative procedure for Complaints brought by employees, students, volunteers or visitors against an employee, contractor, guest, volunteer or visitor of the District.

student-to-student conduct.

- 5.3 Complaints against individuals who are both Students and Employees:** If CCS receives a Complaint against an individual who has both student and employment status, the CAO or Title IX Coordinator will determine what status the individual was in at the time of the alleged conduct/incident to determine which procedure(s), which may include both, will apply.

8.0 Reporting Obligations for CCS Supervisors and Administrators

- 8.1** Supervisors and administrators perform a key role in preventing and responding to discriminatory conduct, including Sexual Harassment. When a supervisor or administrator becomes aware of incidents of Discrimination/Harassment, they shall immediately report the incident to the CAO for allegations which are not considered Sexual Misconduct or disability related. Incidents of Discrimination based upon sex, sexual orientation, gender identity, expression or disability shall be immediately reported to the Title IX Coordinator as soon as possible.
- 8.2** Supervisors and administrators must report such Complaints regardless of the reporting individual's desire for the matter to remain confidential and regardless of whether a report is made to campus security or local law enforcement. Supervisors and administrators who fail to report such incidents or who fail to cooperate fully with the Complaint processes may be subject to disciplinary action, up to termination.
- 8.3** If the Complaint brought to the attention of the supervisor or administrator was verbal or based on observations, rather than a written Complaint, the CAO or Title IX Coordinator shall work with the Complainant and/or reporting supervisor/administrator to prepare a written statement of facts. All Complaints, as defined in section 5.0, regardless of the perceived merit or basis, are to be forwarded to the CAO or Title IX Coordinator as appropriate for review.

9.0 Criminal and Administrative Complaint Options for Sexual Misconduct, Domestic Violence, Dating Violence and Stalking

Any person who believes they have been subjected to Sexual Misconduct, Domestic Violence, Dating Violence and/or Stalking has the right to file a Complaint with CCS as described in section 5.0 above and per CCS administrative procedure 2.30.01-D. Additionally, the individual has the option to pursue a criminal Complaint by contacting local law enforcement and/or to have the Complaint filed consecutively or investigated concurrently by both CCS and the following law enforcement authorities:

Newport Police Department 509.447.3151

10.0 Confidentiality and the Right to Privacy

CCS will seek to protect the privacy of all parties involved to the fullest extent possible, consistent with the legal obligation to investigate, take appropriate remedial and/or disciplinary action, and comply with federal/state law and CCS policies/procedures. Anonymity and complete confidentiality cannot be guaranteed once a Complaint is made or unlawful behavior is alleged. CCS will honor requests to keep Sexual Misconduct Complaints confidential to the extent this can be done without risking the health, safety and welfare of the Complainant, other members of the college community or CCS's duty to investigate and process Sexual Harassment and Sexual Violence Complaints. Further, to the extent possible, proceedings will be conducted in a discreet and sensitive manner. Files pertaining to the Complaint will be maintained in confidence to the extent provided by law and with the understanding that all files are considered public records and

will be released as required by the Public Records Act, Chapter 42.56 RCW. There are limits to disclosure of certain records concerning employees who are Complainants of workplace Sexual Harassment or Stalking as per chapter 42.56 RCW, the Public Records Act (PRA), at RCW 42.56.660 - RCW 42.56.675. Accordingly, CCS cannot guarantee complete confidentiality. Determinations regarding how to handle requests for confidentiality will be made by the CAO or Title IX Coordinator as appropriate.

Confidentiality Requests and Sexual Violence Complaints. The Title IX Coordinator will inform and obtain Consent from the Complainant before commencing an investigation alleging Sexual Violence. If the Complainant asks that their name not be revealed or that CCS not investigate the allegation, the Title IX Coordinator will determine first whether CCS can honor the request and at the same time maintain a safe and non-discriminatory environment. Factors to be weighed during this determination may include, but are not limited to: 1) the seriousness of the alleged Sexual Violence; 2) the age of the Complainant; 3) whether the Sexual Violence was perpetrated with a weapon; 4) whether the Respondent has a history of committing acts of Sexual Violence or violence has been the subject of other Sexual Violence Complaints; 5) whether the Respondent threatened to commit additional acts of Sexual Violence against the Complainant or others; and 6) whether relevant evidence can be obtained through other means (e.g. security cameras, other witnesses, physical evidence.) If CCS is unable to honor the confidentiality request the Title IX Coordinator will notify the Complainant of the decision and ensure that the Complainant's identity is disclosed only to the extent reasonably necessary to conduct the investigation. If CCS agrees not to conduct the investigation the Title IX Coordinator will consider and implement feasible counter measures, if any, designed to limit the effects and prevent recurrence.

Per National Science Foundation (NSF) requirements, CCS's Authorized Organizational Representative (AOR) shall notify the NSF Office of Diversity and Inclusion of 1) findings/determinations of Sexual Harassment, other forms of Harassment or sexual assault by an NSF funded principal investigator or co-principal investigator; and 2) if an NSF funded principal investigator or co-investigator has been placed on administrative leave or if any administrative action has been imposed on them related to a finding/determination or investigation of alleged Sexual Harassment, Harassment or sexual assault.

The NSF may notify the AOR of Complaints of Sexual Harassment, Harassment or sexual assault against NSF principal investigators or co-principal investigators. In that event, CCS will follow all other processes outlined in this procedure or CCS Administrative Procedure 2.30.01-D as appropriate.

11.0 Complaint Investigation

11.1 Complaints against Employees/Guests/Visitors. The CAO and Title IX Coordinator as appropriate, are solely authorized to consider and authorize investigations of Complaints of Discrimination, Sexual Harassment, Sexual Misconduct, Domestic Violence, Dating Violence, Stalking and/or retaliation that involve an employee of CCS. If the Complaint involves the CAO or Title IX Coordinator, the Complainant may file such Complaint directly with the Chancellor's or Presidents' offices (see section 7.4).

11.1.1 Complaints alleging Discrimination, Harassment, retaliation or sexual misconduct by a student are investigated pursuant to Administrative Procedure 3.30.01-A or 3.30.01-B as appropriate.

11.2 Initial Review. The CAO or Title IX Coordinator will conduct an initial assessment of the Complaint to determine whether it alleges conduct that may be prohibited by CCS policies, procedures, CBA or employment contract provisions. The CAO or Title IX Coordinator will also conduct an initial assessment to determine whether the Complaint warrants interim measures. If it appears such measures are warranted pursuant to Section 14, the CAO or Title IX Coordinator will coordinate with appropriate CCS personnel to implement. If the CAO or Title IX Coordinator concludes an investigation is

not warranted under this procedure, a written notice to the Complainant will be prepared indicating the matter is closed without further action. In the event additional information becomes available after the matter is closed, the Complainant may resubmit their Complaint. If the CAO or Title IX Coordinator concludes that an investigation is not warranted under this procedure, but may be warranted under other CCS policies, procedures, CBA or employment contract provisions they will refer it for further review pursuant to section 11.3. CCS has an independent duty to conduct an investigation regardless of whether law enforcement is also conducting an investigation.

11.3 Complaint Consideration. Although alleged conduct may not violate federal or state law, such incidents may still qualify as violation of CCS policies, procedures or contract provisions and may constitute improper behavior, unprofessional conduct, or a failure to engage in conduct supportive of an environment of mutual respect and professionalism and/or provisions of applicable CBA. Such Complaints will be remanded to the appropriate administrator for further consideration and investigated under separate procedure/contract provision.

11.3.1 Harassment/Discrimination allegations based upon union activities are not covered by this procedure.

11.4 Informal Dispute Resolution. Informal dispute Resolution, like mediation, involving a CCS official may be utilized where both the Complainant and Respondent agree to do so in writing. If the parties elect to mediate a dispute, either party shall be free to discontinue mediation at any time. This process shall not be used to resolve sexual Discrimination Complaints without written permission by both parties.

11.5 Appointment of Investigator. The CAO or Title IX Coordinator will authorize an investigation if they conclude it is warranted.

12.0 Initial Notifications

12.1 If a formal investigation is undertaken, the Respondent and Complainant will be alerted to the existence of a formal Complaint, that an investigation of the Complaint is underway and CCS's policy against retaliation. During the investigative process, the Respondent will be informed of their right to representation during any investigatory meeting, if appropriate.

13.0 Investigation

If it is determined after initial review that the matter warrants investigation pursuant to this procedure, the CAO or Title IX Coordinator will determine the appropriate process necessary to ensure relevant evidence is obtained and all critical elements are addressed. Complaints shall be thoroughly and impartially investigated. The investigation will include, but is not limited to, interviewing the Complainant, the Respondent, and relevant witnesses and reviewing relevant documents. The investigation shall be concluded within a reasonable time, normally ninety (90) days, barring exigent circumstances. If it appears completion of the investigation, will take longer than ninety days, the CAO or Title IX Coordinator as appropriate will notify the parties, describe the reasons for the delay and provide an estimated time for completing the investigation. Employees, as a condition of employment, are required to be truthful and to fully cooperate in the investigation process.

14.0 Interim Measures

Following receipt of a Complaint, CCS may determine immediate interim measures are necessary to protect the Complainant and/or Respondent pending completion of the investigation and Resolution of the Complaint. Interim measures may include, but are not limited to, separating the Respondent from the Complainant, adjusting schedules, alternative work assignment, extensions of deadlines or other course related adjustments, placing an employee on administrative leave and/or providing counseling.

15.0 Investigative Findings Report

At the conclusion of the investigation, the investigator shall set forth their findings in writing and shall send a copy of the findings to the CAO or Title IX Coordinator as appropriate. All Complaints and the records related to a subsequent formal investigation of those Complaints conducted pursuant to this procedure, if any, shall be maintained confidentially to the extent allowed by law for an indeterminate period of time in the Human Resources Office.

16.0 Post Investigative Process

When the investigation is complete, the CAO or Title IX Coordinator as appropriate will review the report and determine whether a violation occurred and send an investigative report to the appropriate CCS appointing authority, or designee, for the purpose of determining what discipline, remediation and/or corrective action, if any, should be imposed. Additionally, the CAO or Title IX Coordinator as appropriate will prepare an investigative summary and provide to both the Complainant and Respondent per section 18.0.

17.0 Corrective Action

CCS will take appropriate action where it is proven and/or reasonable to believe that a violation occurred. The appropriate CAO or Title IX/Coordinator shall consider and determine, based on preponderance of evidence, whether a violation occurred. If a violation has occurred, then the appropriate CCS authority determines the steps to be taken to resolve the Complaint, remedy the effects on any individual(s) and prevent its recurrence. Violations may result in disciplinary action, up to and including termination, revocation of permission to be on CCS premises or at sponsored activities or being “trespassed” from CCS campus/facilities. Corrective action for students will be handled pursuant to CCS Administrative Procedure 3.30.01-A or 3.30.01-B.

18.0 Disclosure of Decisions and Actions

18.1 Disclosure Regarding Employees and Students. The Title IX Coordinator will simultaneously provide the Complainant and Respondent with a written summary of the investigative findings. Consistent with the requirements of 20 U.S.C. §1092(f)(8)(B)(iv) related to a crime of violence or sexual assault, including rape, Dating Violence, Domestic Violence or Stalking, the notice will also indicate the actions taken or recommended to resolve the Complaint, subject to the following limitations:

18.1.1 The Complainant shall be informed in writing of actions taken or recommended to resolve the Complaint, if any, only to the extent that such findings, actions or recommendations directly relate to the Complaint, such as finding that the Complaint is or is not meritorious or an order that the Respondent not contact the Complainant. The Complainant may be notified generally that the matter has been referred for disciplinary action.

18.1.2 The Respondent shall be informed in writing of the findings and of actions taken or recommended to resolve the Complaint and shall be notified of any referrals for disciplinary action.

18.1.3 Both the Complainant and the Respondent are entitled to review any final findings, conclusions and recommendations, subject to any FERPA confidentiality requirements and appeal procedures, if any. Both the Complainant and the Respondent are also entitled to notice of any change to the results that occur prior to the results becoming final, and when such results become final.

18.2 Disclosures Regarding Volunteers, Guests and Contractors. CCS will notify the Complainant of any actions it takes which relate directly to the Complainant, such as a No Trespass Order prohibiting a volunteer, guest or contractor from being on campus. Additionally, if the matter involves a crime of violence or sexual assault, including rape,

Dating Violence, Domestic Violence or Stalking, CCS may elect to terminate the contract or license for the individual to be on campus. CCS will provide the Complainant and the Respondent with simultaneous written notice of such decisions, advisement of appeal procedures, if any; any change to the results that occur prior to the results becoming final and when such results become final.

19.0 Limits to Authority

Nothing in this procedure shall prevent the appointing authority or designee from taking, if they determine appropriate, immediate disciplinary action in accordance with CCS policies and procedures, CBA and federal, state and municipal rules and regulations.
