Careers in English by Major

Our English programs will prepare you for your future goals with courses providing hands-on learning, career applicable internship opportunities, creative development, collaboration, and exploration of social justice issues to help you create change as a professional in today’s complex and evolving world.

- [English Studies](#)
- [Creative Writing](#)
- [Humanities](#)
- [Journalism](#)
- [English/Secondary Education](#)
- [Technical Communication](#)

Choosing a major in [English Studies](#) at Eastern Washington University can lead to a variety of careers in the Public, Private, Non-Profit and For-Profit sectors including: Advertising, Communications, Editing, Journalism, Publishing, and many others where strong thinking, reading, writing, and speaking skills are in demand. This degree also prepares students for graduate study in Law, Library Science, and other professional degrees. Check out our [BA in English Studies](#) and [MA in English: Literature & Writing Emphasis](#) degree options. These degree options are also an excellent choice for a pre-professional liberal arts program of study or for preparation for those wishing to pursue the study of language and literature at the doctoral level.

[English Studies](#) at Eastern Washington University enriches and prepares students with the theory and practice to successfully communicate and collaborate in any team and workplace environment, to efficiently and effectively produce credible research-based documents, and to persuasively speak gauging the needs of various audiences. In addition, [English Studies](#) majors’ strong critical thinking skills enable them to be influential members of teams where decisions are made and problem-solving is a requirement of the job.
