Message from the College President

Dear Graduate,

Congratulations on this milestone achievement. Whether you decided to complete a certificate for a job, acquire a two-year degree for a new career, or prepare to transfer to a four-year college or university, you have overcome challenges and obstacles to achieve your goals. The SFCC faculty and staff know that you will succeed in your next endeavors because you have demonstrated persistence and determination. You never gave up!

We look forward to remaining connected with you and celebrating your future accomplishments. You will always be a member of the Sasquatch family and we are honored to celebrate your success and to share the joy and sense of accomplishment with you and your family and friends.

Congratulations. You did it!

Kimberlee S. Messina, Ed.D.
SFCC President

Message from the Chancellor

Dear Graduate,

Congratulations on reaching your educational goal! It has been a pleasure for Community Colleges of Spokane to serve you and we hope you feel ready for the next step on your journey whether it be continued work with us or a new path forward. Our mission at the Community Colleges of Spokane is to provide all students an excellent education that transforms their lives and expands their opportunities and we hope we have helped you with that. Since 1963, Community Colleges of Spokane graduates have been catalysts and innovators in the growth and development of the region.

On behalf of the Board of Trustees who guide and support our efforts, the faculty who have empowered your learning, and the staff who have supported you outside of the classroom, we wish you all the best in the future and welcome to the family of CCS alumni! We challenge you to become a partner in our efforts to serve the community, whether it be through your own contributions or through assisting us in helping others.

Profoundly proud of your accomplishments,

Kevin Brockbank, Ed.D.
CCS Chancellor

Faculty Grand Marshal - Craig Rickett

Craig joined the faculty of SFCC in September of 1991, and has since helped hundreds of students overcome their fear of public speaking. For 20 years he served as the coach of SFCC's award winning speech and debate team. He received an Exceptional Faculty Award from the district in 1998 and an Excellence Award from the National Institute for Staff and Organizational Development (NISOD) in 2020.

He has directed numerous plays for the SFCC drama program, receiving awards from the Kennedy Center American College Theatre Festival for his acting and directing. Craig is currently serving as the department chair for Communication Arts and Modern Language.

President's Scholar Medal

Graduates wearing white gowns and the President's Scholar Medal have achieved a cumulative 4.0 grade point average.

Corey Barry	Julie Greiner	Tamara Smith
Andrea Belieu	Ryan Harbison	Angela Storme
Caleb Brown	Jacquelyne Herring	Shandra Swapp
Zachary Cornelison	Natalia Jordan	Jenica Thapa
Kaiden Davis	Suzanne Kobzeff	Jayne Touchstone
Nikolas Faagau	Miangaly Rakotomalala	Nicole Varnell
Connor Glasgow	Jared Reisnouer	Richard Zubaugh
Heather Gonzalez	Jacob Riggs	

Gold Honor Cord

Graduates wearing the gold honor cord met high academic standards and are recognized by placement on the President's Honor Roll. These graduates achieved a cumulative 3.5 or higher grade point average.

Gold Honor Stole/Monogrammed Tassel

Graduates wearing the gold honor stole are members of the Phi Theta Kappa International Honor Society. These graduates have met academic standards established by the Spokane Falls Community College Chapter of Phi Theta Kappa.

Americana Cord

Graduates wearing the red, white and blue cord are veterans of the United States Armed Forces.

White Honor Stole

Graduates wearing the white honor stole are candidates for the Bachelor of Applied Science Degree.

MOSAIC Scholars Cord

Graduates wearing the red, white, and yellow cord are affiliated with the SFCC Center of Culture, Inclusion & Community and the LGBT+ Student Center. The colors of the cord represent courage (white), bravery (red), and tenacity in the face of adversity (yellow). The rainbow graduation cords represent the leadership of members of the LGBT Community.

Degrees and Certificates

Associate in Arts–Direct Transfer Agreement (AA-DTA)

The Direct Transfer Agreement (DTA) is the community college degree designed to transfer to most Bachelor of Arts degrees at Washington's four-year colleges. The degree is intended to effectively meet the lower division general education requirements of a baccalaureate institution and assures that the student will transfer as a junior at all Washington public baccalaureate institutions and almost all private Washington baccalaureate institutions.

Associate in Science–Transfer (AS-T)

The Associate in Science-Transfer (AS-T) degree is intended for students majoring in engineering and science who wish to transfer as juniors to a four-year college in Washington. Students who earn this degree will transfer with approximately half of the lower division general education courses required by four-year colleges. Remaining general education courses may be taken after transferring. This degree allows students to concentrate on fulfilling pre-major coursework in their intended field of study.

Associate in Applied Science (AAS)

The Associate in Applied Science (AAS) is awarded in a professional/technical area and prepares students for employment in a specific industry.

Associate in Applied Science–Transfer (AAS-T)

An Associate in Applied Science-Transfer (AAS-T) degree is an AAS degree that provides transfer opportunities for students for continuing toward a four-year degree at specific universities. An AAS-T degree is a degree awarded in a professional/technical field that contains a minimum of 20 transferable general education credits.

Career and Technical Certificates

A Career and Technical Certificate supports professional/technical programs less than two years in length.

Associate in Fine Arts (AFA) and Certificate in Fine Arts (CFA)

The Associate in Fine Arts (AFA) offers a two-year program of study applicable for transfer to a four-year university, college or art school. Students may earn an AFA in Art, Drama or Music.

This certificate program provides an opportunity for the student to concentrate on a program of study in fine arts. The program is suitable for those who wish to pursue art as a profession. The program is not designed with an emphasis on transfer, although all courses in the program are transferable.

Bachelor of Applied Science (BAS)

The Bachelor of Applied Science (BAS) is a four-year degree that provides upper-division coursework in an applied field. The BAS builds upon associate degrees and is intended to address employer need to successfully recruit qualified applicants with job-specific technical skills as well as baccalaureate level skills. These degrees are beneficial to employees working in technical fields who wish to be promoted to higher level management or to specialized positions requiring a bachelor's degree.

Community Colleges of Spokane

Native Land Acknowledgement

We are honored to acknowledge that the Community Colleges of Spokane, and our main campuses for Spokane Falls and Spokane Community College, are located on the traditional and sacred homelands of the Spokane Tribe. We also provide services in a region that includes the traditional and sacred homelands of the Coeur d'Alene Tribe, Confederated Tribes of the Colville Reservation, Kalispel Tribe and Nez Perce Tribe.

We pay our respect to tribal elders both past and present as well as to all indigenous people today. This land holds their cultural DNA and we are honored and grateful to be here on their traditional lands. We give thanks to the legacy of the original people and their descendants and pledge to honor their stewardship and values.

Community Colleges of Spokane (CCS), founded in 1963, is a dynamic community college district serving more than 35,000 students a year across 12,300 square miles in eastern Washington. CCS is comprised of Spokane Community College and Spokane Falls Community College, each accredited by the Northwest Commission on Colleges and Universities and operates education centers in many rural communities. CCS also offers a variety of programs at locations throughout our area, including adult education, parent education, workforce and continuing education; as well as parent cooperative preschools and Spokane County Head Start.

College Colors

During the 1967-68 academic year, Spokane Falls Community College students selected royal blue and gold as the college's official colors. Blue signifies the Spokane River falls, which are found near the campus, and yellow signifies the sun that shines upon the waterfalls.

Acknowledgements

Congratulations to the 152 Running Start students from 33 high schools who are earning both their high school diplomas and college degrees.

Congratulations to the 12 international students from 11 countries; Bangladesh, Brazil, Columbia, the Dominican Republic, India, Kenya, Madagascar, Panama, Sweden, Switzerland, and Vietnam.

This marks the eighth graduating class for the Bachelor of Applied Science (BAS) degree. Spokane Falls Community College began offering BAS degrees in 2015 with one degree in Information Systems and Technology. Today Spokane Falls Community College offers four Bachelor of Applied Science programs.

Thank you to the following:

Members of the commencement workgroup including Jordan Apfelbaum, McCall Fadeley, Justin Flori, Kim Herney, Heather McKenzie WaitE, Andrew Pirochta and Dr. Rhondie Voorhees.

Cover design by Hayden Anderson, SFCC Graphic Design student

Creativity has always been Hayden's passion, especially through visual storytelling. She enjoys trying new ideas and pushing the limits of her creativity. She's looking forward to a career in graphic design where she can be creative every day.
